PHAN, HAU VAN

ART UNIT

PAPER NUMBER

3618

DATE MAILED: 09/21/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

DETAILED ACTION

Acknowledgment

1. The reply filed on 8/8/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the applicant fails to show, which part of claim has been deleted and inserted. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. The examiner suggests the applicant rewrite claim 1 as an example below.

1. An all-terrain welding equipment cart comprising a gas bottle, a welding machine and a base, which is supported by front and rear wheels, said front wheel having independent suspension system, said suspension system include suspension arms, each of the suspension arms including axles connected to end portion thereof, said suspension arms mounted to a mounting bracket, said mounting bracket having suspension arm limit stops mounted to a lower portion of the mounting bracket to prevent the axles from excess travel in a downward direction in relation a the base, said suspension arms independently supported by springs, wherein the welding cart having a gas bottle holding frame and a platform to support said welding machine.

3. Claim 2, before "and also provide are" change to – said cart also included steering rods connected to the axles for steering purpose --

4. Claims 7-8, deleted "a suspension system with"

Conclusion

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hau V Phan whose telephone number is 571-272-6696. The examiner can normally be reached on 7:30AM-4:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christ Ellis can be reached on 571-272-6914. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
